

# Second MFront Users Meeting

## EDF Lab Paris Saclay, May 20th 2016

The second MFront users meeting will take place on May 20th 2016 and will be organized by EDF R&D at the EDF Lab Paris Saclay location.

Researchers and engineers willing to present their works are welcome. They may contact the organizers for information at:

[tfel-contact@cea.fr](mailto:tfel-contact@cea.fr)

Registration is **required** to ensure proper organization and will be opened on February using a dedicated form on the Code\_Aster website:

<http://www.code-aster.org>
